**If you don't pay for prescriptions you will not have to pay for medicines on the Care of The Chemist Scheme.**

**If you do pay for scripts the Pharmacist will advise if the item required is cheaper to buy over the counter rather than get on the Care of the Chemist Scheme.**

**If you are 16 or under you will need to take an adult with you.**

**The Pharmacist will only supply medication if they feel that you need it. You may be referred to the GP or offered other advice.**

**When registering you will need to take proof of registration e.g. A repeat prescription slip or a Medical Card.**

**You can use the scheme in any Pharmacy in South Sefton.**
